Habitat Cruise

with Crocodile Farm

Calm Water Cruise, Mangroves, Crocodiles

Operates: DAILY

Departs: 9.30am

Returns: 12.30pm

\$60.00

Child: \$30.00

Fare Includes: Interpretive cruise, morning tea and guided Crocodile Farm tour.

Cruise the mangrove lined waterways of Trinity Inlet, a tropical tidal estuary with native birdlife and crocodiles to the Cairns Crocodile Farm, where over 200 crocodiles live and breed in their natural habitat.

Estuarine Crocodile

HIGHLIGHTS:

- Enjoy a leisurely calm water cruise along Trinity Inlet
- Pier complex on Cairns foreshore - hotels and shopping mall
- Reef Casino Hotel and Rainforest Dome
- Historic Trinity Wharf - shipping and naval facility
- Traverse the inlet mangroves between Admiralty Island and the mainland
- Explore extensive mangrove habitats and smaller creeks
- Look for native birdlife and crocodiles
- Visit a working crocodile farm - crocodile breeding in a natural everglade environment
- Witness wary crocodiles protecting their nests
- Learn about the crocodile breeding process
- View hundreds of estuarine crocodiles in purpose built growing pens
- Return by coach to Cairns passing sugar cane fields.
